We provide the best quality of service in the field of Financial account outsourcing with the help of experienced professionals and technology-driven systems and processes.

WHY CHOOSE US

Infomatrix Corporate Solutions Private Limited (*iFOCORP*) integrates domain expertise, and technology solutions to assist clients in identifying, transitioning, transforming, executing and continuously adding value to finance and accounts outsourcing processes through a cost efficient Process Outsourcing services model; without compromising on quality and compliance. We Provide Account Outsourcing Services at efficient costs so that our clients can focus on their core business activities while saving a significant amount of overhead costs as well. We offer best class financial accounting outsourcing solutions in Bangalore.

CORE FOCUS & OUTSOURCING

Core focus is a winning strategy adopted by organisations worldwide and it enables deployment of organizational resources on key areas that maximize business results. Outsourcing non-core functions often to lower cost offshore locations is a key element of this strategy and has grown into a business service successfully supporting businesses globally. The enhanced focus on core areas is directly associated with better business results while parameters like process efficiency, cost efficiency and quality drive the direct benefits of outsourcing. The best and long term value of outsourcing is achieved by selecting the right partner and location of services delivery.

Our Value Proposition

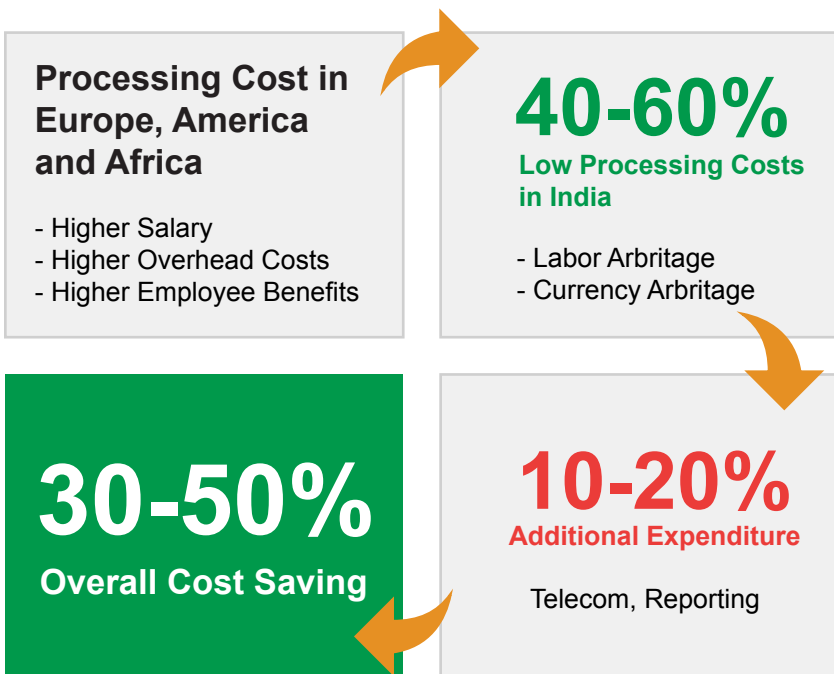

At iFOCORP Corporate Solutions, we put our knowledge and expertise to work to meet all aspects of your financial and accounting BPO & KPO requirements in alignment with your outsourcing goals.
